

SOCIAL POWER

plus

Do you like games
and challenges?

Are you curious about your own environmental impact, or that of your city?
Do you want to be involved in designing a sustainable energy future?
Are you an energy guru or newbie? Join us- we need both!

Join our co-creation process and support us in designing a smart phone app to show your energy use at home and the accompanying energy savings challenges that help you and your city to save energy! Stadtwerk Winterthur, TBW and EKS have teamed up with the ZHAW in Winterthur as part of a research project funded by the Swiss Federal Office of Energy and now we need you.
